GROWING VISION

COMMITMENT CARD

GIVE PRAYERFULLY Pray as to how you might give, and then continue to pray that God would work in you and through your gift in the lives of those in our church and community.

GIVE GENEROUSLY While we're asking all to give sacrificially, we know that not all can give in the same way. Generosity isn't measured in an amount. Give according to how God has generously given to you.

GIVE JOYFULLY Give knowing what doors God can open so that people can see and be changed by Jesus. Find joy in being a part of the story we celebrate when God accomplishes His purpose!

Now to Him who is able to do *immeasurably more* than all we ask or imagine, according to His power that is at work within us...

Ephesians 3:20

Our goal is to maximize the property God has given us, point people to Jesus, and multiply the Gospel in all the ways we can. This is something we can do with God's help. We are embarking on some of the most incredible days our church has ever lived.
