

Technical Director

Department: Worship & Production
Reports To: Worship Ministry Director
Employment: Part Time, hourly

Pointing people to Jesus and inspiring them to become a part of that mission

Summary: The Technical (Tech) Director will provide coordination and oversight of our worship experiences for both our on-campus and online attenders as it pertains to media and production. The Tech Director works alongside the Worship Ministry Director to provide team leadership and equipping within the Worship & Production Ministry.

Tasks:

- Weekly consultation with Worship Ministry Director and preaching Pastor for Sunday worship and production planning.
- Monthly meeting with Worship & Production Ministry Leadership Team.
- Evaluate Sunday broadcast for weekly feedback and improvements.
- Develop, coach, and encourage Production Team Members.
- Communicate with Production Team Members for required service times.
- Assist with all technical efforts and worship environments on campus and online.
- Strategically utilize programs and products to enhance execution of tasks and communication.

Personal and Spiritual Expectations:

- Live an exemplary life modeling the call, character, and competencies of a follower of Christ.
- Be involved in the overall life of Tree City Church.
- Commitment to tithe to Tree City Church.

Qualifications:

- Personal initiative and diligence that produces follow-through in tasks.
- Ability to disciple within the Tree City Church Leadership Structure.
- A willingness to grow and adapt to the inevitable changes found in a growing local church.
- Have expertise and ability to learn elements such as ProPresenter, Planning Center, audio, visual, and studio technology.
- Have a positive attitude.
- Be eligible to work in the U.S.

EEOC Statement:

Tree City Church is an equal opportunity employer. We provide equal employment opportunities without regard to race, color, sex, national origin, age, disability, genetic information, or veteran or military status.
